

# AET-M

## Modular End Termination

### Product Description

- Needed at the end of a water sensing cable and at the end of each branch of water sensing cable to complete the circuit
- Waterproof Design
- Modular Design with Factory Pre-Molded Connector
- Small, Lightweight and Flexible, allowing Easy Installation

### Technical Specifications

- Black Plastic Connector
- Weight: 5g
- Length: 57mm
- Diameter: 23mm
